Belford North Metropolitan District  
c/o CliftonLarsonAllen LP  
8390 E. Crescent Pkwy, Suite 300  
Greenwood Village, CO 80111

We are pleased to serve as the independent auditors for Belford North Metropolitan District (“Client”) for the year ended December 31, 2022. This letter, together with the attached Professional Services Terms and Conditions – Attest Engagements, confirms the terms of our engagement, and are collectively referred to herein as the “Letter” or the “Engagement Letter”.

### Fees

Our fees for this engagement will be billed as work progresses, and progress billings may be submitted. Based upon our discussions with representatives of Client, the fee for this engagement will be \$5,700. Expenses for items such as travel, telephone, postage, clerical time, printing, and reproduction of financial statements are included in the fee. Our fee has been determined based on our understanding obtained through discussions with you regarding your preparation for the engagement and your current business operations. To the extent we encounter circumstances outside of our expectations that warrant additional procedures and time, we will communicate that fact and advise you of options and the additional fees necessary to complete the engagement. We expect payment of our billings within 30 days after submission.

Our fees for the services described below are based upon the value of the services performed and the time required by the individuals assigned to the engagement. Our fee estimate and completion of our work are based upon the following criteria:

1. Anticipated cooperation from Client personnel
2. Timely responses to our inquiries
3. Timely completion and delivery of client assistance requests
4. Timely communication of all significant accounting and financial reporting matters
5. The assumption that unexpected circumstances will not be encountered during the engagement.

If any of the aforementioned criteria are not met, then the fees may increase. Interim billings will be submitted as work progresses and as expenses are incurred.

### Audit Scope and Objectives

We will audit Client’s financial statements, as of and for the year ended December 31, 2022, and the disclosures (collectively, the “financial statements”), and if applicable, supplementary information.

Belford North Metropolitan District

Page 2

November 7, 2022

The objectives of our audit are to obtain reasonable assurance about whether Client's financial statements taken as a whole are free from material misstatement, whether due to fraud or error, and issue an auditor's report that includes our opinion about whether Client's financial statements are fairly presented, in all material respects, in conformity with accounting principles generally accepted in the United States of America ("GAAP"). Reasonable assurance is a high level of assurance, but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America ("GAAS") will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they could influence the judgment of a reasonable user made based on the financial statements.

The supplementary information accompanying the financial statements will be subjected to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS, and we will provide an opinion on it in relation to the financial statements as a whole.

The other information accompanying the financial statements will not be subjected to the auditing procedures applied in our audit of the financial statements, and our auditor's report will not provide an opinion or any assurance on that other information.

#### **Auditor's Responsibilities for the Audit of the Financial Statements**

We will conduct our audit in accordance with GAAS and will include tests of your accounting records and other procedures we consider necessary to enable us to express such an opinion. As part of an audit in accordance with GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit.

An audit includes an evaluation of the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as an evaluation of the overall presentation of the financial statements, including the disclosures, to assess whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. To express an opinion, we are required to plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to Client or to acts by management or employees acting on behalf of Client.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is an unavoidable risk that some material misstatements may not be detected by us, even though the audit is properly planned and performed in accordance with GAAS. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. However, we will inform the appropriate level of management of any material errors, fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or government regulations that come to our attention, unless clearly inconsequential. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

Belford North Metropolitan District

Page 3

November 7, 2022

In the conduct of our audit, we will obtain an understanding of Client and its environment, including internal control relevant to the audit, sufficient to identify and assess the risks of material misstatement of the financial statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risks and obtain evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. An audit is not designed to provide assurance on internal control or to identify deficiencies in internal control. Accordingly, we will express no such opinion. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under professional standards.

In performing our audit, we will consider and conclude whether, based on the audit evidence obtained, there are conditions or events, considered in the aggregate, which raise substantial doubt about Client's ability to continue as a going concern for a reasonable period of time.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts and may include tests of the physical existence of inventories, and direct confirmation of cash, receivables, loan balances, and certain assets and liabilities by correspondence with selected customers, funding sources, creditors, and financial institutions. We may also request written representations from your attorneys as part of the engagement, and they may submit an invoice for responding to this inquiry.

#### Responsibilities of Management for the Financial Statements

Our audit will be conducted on the basis that management acknowledges and understands its responsibility for designing, implementing, and maintaining internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including monitoring ongoing activities; for the selection and application of accounting principles; and for the preparation and fair presentation of the financial statements in conformity with GAAP. Management is also responsible for making available to us drafts of financial statements, all financial records, and related information, and for the accuracy and completeness of that information (including information from outside of the general and subsidiary ledgers). Management is also responsible for providing us with (1) access to all information of which it is aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, identification of all related parties and all related-party relationships and transactions, and other matters; (2) additional information that we may request for the purpose of the audit; and (3) unrestricted access to persons within Client from whom we determine it necessary to obtain audit evidence.

Management is responsible for adjusting the financial statements to correct material misstatements and for confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

Belford North Metropolitan District

Page 4

November 7, 2022

Management is responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting Client involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Management is also responsible for informing us of its knowledge of any allegations of fraud or suspected fraud affecting Client received in communications from employees, former employees, regulators, or others. In addition, management is responsible for identifying and ensuring that Client complies with applicable laws and regulations.

Management is responsible for the preparation of the supplementary information in conformity with GAAP. Management agrees to include our report on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. Management also agrees to include the audited financial statements with any presentation of the supplementary information that includes our report thereon.

We cannot perform management functions or make management decisions on behalf of Client. However, we may provide advice and recommendations to assist management in performing its functions and fulfilling its responsibilities. We may advise management about appropriate accounting principles and their application, but the responsibility for the financial statements remains with management.

At the conclusion of our audit, we will require certain written representations from management about the financial statements and related matters. Because of the importance of management's representations to an effective audit, Client agrees to release and indemnify Wipfli LLP ("Wipfli"), its partners, employees, agents, and assigns from any claim, liability, cost, or expense relating to our services under this Engagement Letter attributable in any respect to any knowing misrepresentation by management. The preceding sentence shall not apply and shall be of no effect in the event its application, in the judgment of any government body or regulatory agency, would impair our independence as your auditor.

### Reporting

We will issue a written report upon completion of our audit of Client's financial statements. Our report will be addressed to the board of directors. Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinion, add a separate section, or add an emphasis-of-matter or other-matter paragraph to our auditor's report, or if necessary, withdraw from this engagement. If our opinion is other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed an opinion, we may decline to express an opinion or withdraw from this engagement.

If Client intends to reproduce or publish these financial statements or any portion thereof, whether in paper or electronic form, subsequent to anticipated year-end filings, and make reference to our firm name in connection therewith, management agrees to provide us with proofs in sufficient time for our review and written approval before printing. If in our professional judgment the circumstances require, we may withhold our approval. Client agrees to compensate Wipfli for the time associated with such review.

Wipfli has no liability or responsibility to any third parties as a result of this engagement.

## Professional Services Terms and Conditions – Attest Engagements

**1. Entire Agreement**

These Terms and Conditions, together with the engagement letter (“Engagement Letter”) to which these Terms and Conditions are attached, and the Engagement Letter’s other appendixes and applicable Change Orders, if any, constitute the entire agreement between the parties on the subject matter thereof and supersede and merge all prior proposals (including prior proposals of Wipfli regarding the engagement), understandings, and agreements (oral or written) between the parties relating to the subject matter, including, without limitation, the terms of any request for proposal issued to Client or the standard printed terms on any purchase order issued by Client and any non-disclosure or confidentiality agreement between Wipfli and Client dated prior to the date of the Engagement Letter. No modification, amendment, supplement to, or waiver of these Terms and Conditions or Engagement Letter shall be binding upon the parties unless made in writing and duly signed by both parties. To the greatest extent reasonably possible, the provisions of the Engagement Letter, its Appendixes (including these Terms and Conditions), Implementation Plan, Change Orders, and any other exhibit, attachment, schedule, or other document referenced in or by the Engagement Letter shall be read together and harmonized to give effect to the parties’ intent. In the event of a direct conflict among the express provisions of the foregoing, the Engagement Letter shall be given controlling effect. No provision of these terms and conditions will apply to any attest services that may be performed by Wipfli for Client if such provision would impair Wipfli’s independence from Client requiring pursuant to applicable professional standards, such services being governed exclusively by the Engagement Letters issued with respect thereto. Wipfli may be referred to herein as “we” or “us” or in a similar manner, and Client may be referred to as “you” or in a similar manner, and such references shall be read in context.

**2. Commencement and Term**

The Engagement Letter shall become effective when signed by duly authorized representatives of both parties and shall remain in full force and effect until the services to be delivered under the Engagement Letter are complete (as reasonably determined by Wipfli) unless earlier terminated by either party as provided in the Engagement Letter or these Terms and Conditions. Each person executing an Engagement Letter on behalf of a party represents and warrants to the other that he or she has all power and authority to bind the party on whose behalf he or she is executing same.

**3. Termination of Agreement**

The Engagement Letter may be terminated as follows: (i) by either party immediately upon written notice to the other if either party hereto becomes the subject of voluntary or involuntary bankruptcy or other insolvency proceeding, (ii) by Wipfli or Client if either party defaults in the performance of any of its covenants and agreements set forth in the Engagement Letter or Change Order (except when such default is due to a cause beyond the control of the party) and such default is not cured within thirty (30) days after notice from either party specifying the nature of such default, and (iii) by Wipfli or Client with or without cause upon providing thirty (30) days written notice. Termination of the Engagement Letter shall have no effect on either party’s obligation to pay any amount due and owing with respect to such periods prior to the effective date of such termination.

Wipfli has the right to withdraw from this engagement with immediate effect if Client does not provide us with the information we request in a timely manner, refuses to cooperate with our reasonable requests, or misrepresents any facts. Our withdrawal will release us from any obligation to complete the engagement and will constitute completion of our engagement. Client agrees to compensate us for our time and out-of-pocket expenses through the date of our withdrawal.

**4. Fee Estimates and Change Orders**

Wipfli’s Engagement Letter may set forth certain ranges for Wipfli’s fees charged on any project or services. Wipfli provides fee estimates as an accommodation to Client. These estimates depend on certain assumptions, including: (a) anticipated cooperation from Client personnel, (b) timely responses to our inquiries, (c) timely completion and delivery of Client assistance requests, (d) timely communication of all significant accounting and financial reporting matters, (e) the assumption that unexpected circumstances will not be encountered during the engagement, and (f) where applicable, the assumption that Client’s hardware platform/computer system will, at the commencement of the services, be fully operable as intended and designed, functioning as necessary and available to Wipfli without material restriction for the duration of the services. Unless otherwise indicated in the Engagement Letter, fee estimates shall not be construed as or deemed to be a minimum or maximum fee quotation. Although Wipfli reasonably believes suggested fee ranges are accurate, Wipfli’s actual fees may vary from its fee estimates.

Services that fall outside the agreed-upon scope of Wipfli’s engagement shall be covered by a Change Order, or, if the nature and amount of such services are not material to the overall engagement, shall be delineated and included on Wipfli’s invoice for such services. A “Change Order” means a mutually agreed-upon change in the schedule or the time for Wipfli’s performance of the services on a project, the scope of specifications of a project, and/or the fees chargeable by Wipfli to Client, which is reduced to writing using an agreed-upon form that is executed by an authorized representative of each for Wipfli and Client.

Unless otherwise agreed in the Engagement Letter, miscellaneous expenses incurred by Wipfli in the course of performing the service will be charged in addition to Wipfli’s professional fees. Miscellaneous expenses may include, but are not limited to: travel, lodging, transportation, and meals for projects requiring travel; clerical processing; telecommunications charges; technology fees; delivery expenses; and all sales, use, ad valorem, excise, or other taxes or other governmental charges.

**5. Payment of Fees**

Unless otherwise agreed, all invoices are due and payable within thirty (30) days of the invoice date. All business or commercial accounts will be charged interest at the lesser of one percent (1%) per month or the maximum rate permitted by law, except where prohibited by law, on Client’s balance due to Wipfli that is outstanding over thirty (30) days. At our discretion, services may be suspended if Client’s account becomes overdue and will not be resumed until Client’s account is paid in full. Client acknowledges and agrees that we are not required to continue services in the event of a failure to pay on a timely basis for services rendered as required. Client further acknowledges and agrees that in the event Wipfli stops services or withdraws from this engagement as a result of Client’s failure to pay on a timely basis for services rendered as required by this Engagement Letter, Wipfli shall not be liable to Client for any damages that occur whether direct or indirect, foreseen or unforeseen, and whether or not the parties have been advised of the possibility of such damages.

In the event Wipfli is required to respond to a subpoena, court order, government regulatory inquiries, or other legal process related to Client or its management (other than a matter in which Wipfli is named as a party) for the production of documents and/or testimony relative to information we obtained and/or prepared during the course of this or any prior engagements, Client agrees to compensate us for all time we expend in connection with such response, at our regular rates, and to reimburse us for all related out-of-pocket costs, including attorney’s fees, that we incur. Any services under this paragraph will be deemed a separate engagement and, to the extent permitted by law and applicable professional standards, we will promptly notify you of the matter.

## Professional Services Terms and Conditions – Attest Engagements

**6. Privacy and Engagement Staffing**

Wipfli expressly reserves the right to replace, in its sole discretion, any of our professional project team members, as necessary, to provide quality and timely service to Client. From time to time, and depending upon circumstances, Wipfli may use third-party service providers, such as independent contractors, specialists, or vendors to assist us in providing professional services, including tax services. These parties and their personnel may be located within or outside the United States. We may also use personnel from affiliates of Wipfli and other Wipfli-related entities (including our wholly-owned subsidiary based in India and contractors in the Philippines) or any of their respective affiliates. In addition, Wipfli may utilize third-party service providers, including cloud-based service providers, who may collect, use, transfer, transmit, store, or otherwise process Client information in connection with the delivery of certain services. Wipfli is committed to maintaining the confidentiality and security of Client's information, and accordingly, Wipfli maintains policies, procedures and safeguards to protect the confidentiality of Client information. In addition, our agreements with all service providers appropriately maintain and protect the confidentiality of Client information, provided we may use electronic media to transmit Client information and such use in itself will not constitute a breach of any confidentiality obligation. We remain responsible to Client for the supervision of all service providers, entities, and personnel who assist us in rendering professional services hereunder and for protecting the confidentiality of Client information. Client hereby consents and authorizes us to disclose Client information to the foregoing entities and parties for the purpose of providing professional services, including tax services, to Client.

Wipfli is committed to protecting personal information that can be linked to specific individuals, including health information ("Personal Data") and will maintain such Personal Data in confidence in accordance with professional standards and governing laws. Client will not provide any Personal Data to Wipfli unless necessary to perform professional services described in the Engagement Letter. **INDEPENDENT CONTRACTOR AGREEMENT  
SNOW MOVING AGREEMENT**

---

This INDEPENDENT CONTRACTOR AGREEMENT, including any and all exhibits attached hereto (the “**Agreement**”), is entered into as of the 16<sup>th</sup> day of November, 2022, by and between BELFORD NORTH METROPOLITAN DISTRICT, a quasi-municipal corporation and political subdivision of the State of Colorado (the “**District**”), and ALL PHASE LANDSCAPE CONSTRUCTION, INC., a Colorado corporation (the “**Contractor**”). The District and the Contractor are referred to herein individually as a “**Party**” and collectively as the “**Parties**.”

**RECITALS**

WHEREAS, the District was organized pursuant to and in accordance with the provisions of §§ 32-1-101, *et seq.*, C.R.S. for the purpose of constructing, financing, operating, and maintaining certain public facilities and improvements for itself, its taxpayers, residents, and users; and

WHEREAS, pursuant to § 32-1-1001(1)(d)(I), C.R.S., the District is empowered to enter into contracts and agreements affecting the affairs of the District; and

WHEREAS, pursuant to § 32-1-1001(1)(i), C.R.S., the District is empowered to appoint, hire, and retain agents, employees, engineers, and attorneys; and

WHEREAS, the District desires to engage the Contractor to perform certain services as are needed by the District to serve the property within and without its boundaries; and

WHEREAS, the Contractor has represented that it has the professional experience, skill, and resources to perform the services, as set forth herein.

NOW, THEREFORE, in consideration of the mutual covenants and stipulations set forth herein, the receipt and sufficiency of which are hereby acknowledged, the Parties hereto agree as follows:

**TERMS AND CONDITIONS**

1. SCOPE OF SERVICES; PERFORMANCE STANDARDS. The Contractor shall perform the services described in **Exhibit A**, attached hereto and incorporated herein by this reference (the “**Services**”): (a) in a professional manner, to the satisfaction of the District, using the degree of skill and knowledge customarily employed by other professionals performing similar services; (b) within the time period and pursuant to the Scope of Services specified in said **Exhibit A**; and (c) using reasonable commercial efforts to minimize any annoyance, interference, or disruption to the residents, tenants, occupants, and invitees within the District. **Exhibit A** may take any form, including forms which may include price and payment terms. In the event of any conflict between terms set forth in the body of this Agreement and terms set forth in **Exhibit A**, the terms in the body of this Agreement shall govern. Contractor shall have no right or authority, express or implied, to take any action, expend any sum, incur any obligation, or otherwise obligate the District in any manner whatsoever, except to the extent specifically provided in this Agreement

(including **Exhibit A**) or through other authorization expressly delegated to or authorized by the District through its Board of Directors.

2. TERM/RENEWAL. This Agreement shall be effective as of the dated date hereof and shall terminate on the earlier to occur of: (i) termination pursuant to Section 18 hereof; (ii) completion of the Services; or (iii) December 31, 2022. Notwithstanding the foregoing, unless terminated pursuant to subsection (i) or (ii) above, or unless the District determines not to appropriate funds for this Agreement for the next succeeding year, this Agreement shall automatically renew on January 1 of each succeeding year for an additional one (1) year term.

3. ADDITIONAL SERVICES. The District may, in writing, request the Contractor provide additional services not set forth in **Exhibit A**. The terms and conditions of the provision of such services shall be subject to the mutual agreement of the Contractor and the District pursuant to a written service/work order executed by an authorized representative of the District and the Contractor or an addendum to this Agreement. Authorization to proceed with additional services shall not be given unless the District has appropriated funds sufficient to cover the additional compensable amount. To the extent additional services are provided pursuant to this Section 3, the terms and conditions of this Agreement relating to Services shall also apply to any additional services rendered.

4. REPAIRS/CLAIMS. The Contractor shall notify the District immediately of any and all damage caused by the Contractor to District property and that of third parties. The Contractor will promptly repair or, at the District's option, reimburse the District for the repair of any damage to property caused by the Contractor or its employees, agents, or equipment. In addition, the Contractor shall promptly notify the District of all potential claims of which it becomes aware. The Contractor further agrees to take all reasonable steps to preserve all physical evidence and information, which may be relevant to the circumstances surrounding a potential claim, while maintaining public safety, and to grant to the District the opportunity to review and inspect such evidence, including the scene of any damage or accidents. The Contractor shall be responsible for initiating, maintaining, and supervising all safety precautions and programs in connection with the Services and shall provide all reasonable protection to prevent damage or injury to persons and property, including any material and equipment related to the Services, whether in storage on or off site, under the care, custody, or control of the Contractor or any of its subcontractors.

5. GENERAL PERFORMANCE STANDARDS.

a. The Contractor has by careful examination ascertained: (i) the nature and location of the Services; (ii) the configuration of the ground on which the Services are to be performed; (iii) the character, quality, and quantity of the labor, materials, equipment, and facilities necessary to complete the Services; (iv) the general and local conditions pertaining to the Services; and (v) all other matters which in any way may affect the performance of the Services by the Contractor. Contractor enters into this Agreement solely because of the results of such examination and not because of any representations pertaining to the Services or the provision thereof made to it by the District or any agent of the District and not contained in this Agreement. The Contractor represents that it has or shall acquire the capacity and the professional experience and skill to perform the Services and that the Services shall be performed in accordance with the

standards of care, skill, and diligence provided by competent professionals who perform services of a similar nature to those specified in this Agreement. If competent professionals find that the Contractor's performance of the Services does not meet this standard, the Contractor shall, at the District's request, re-perform the Services not meeting this standard without additional compensation.

b. The Contractor shall use reasonable commercial efforts to perform and complete the Services in a timely manner. If performance of the Services by the Contractor is delayed due to factors beyond the Contractor's reasonable control, or if conditions of the scope or type of services are expected to change, Contractor shall give prompt notice to the District of such a delay or change and receive an equitable adjustment of time and/or compensation, as negotiated between the Parties.

c. The Services provided under this Agreement shall be adequate and sufficient for the intended purposes and shall be completed in a good and workmanlike manner.

d. The Contractor agrees that it has complied and will continue to comply with all Laws while providing Services under this Agreement. "**Laws**" means: (i) federal, state, county, and local or municipal body or agency laws, statutes, ordinances, and regulations; (ii) any licensing, bonding, and permit requirements; (iii) any laws relating to storage, use, or disposal of hazardous wastes, substances, or materials; (iv) rules, regulations, ordinances, and/or similar directives regarding business permits, certificates, and licenses; (v) regulations and orders affecting safety and health, including but not limited to the Occupational Safety and Health Act of 1970; (vi) Wage and Hour laws, Worker Compensation laws, and immigration laws.

e. The responsibilities and obligations of the Contractor under this Agreement shall not be relieved or affected in any respect by the presence of any agent, consultant, sub-consultant, or employee of the District. Review, acceptance, or approval by the District of the Services performed or any documents prepared by the Contractor shall not relieve the Contractor of any responsibility for deficiencies, omissions, or errors in said Services or documents, nor shall it be construed to operate as a waiver of any rights under this Agreement or of any cause of action arising out of the performance of this Agreement.

6. MONTHLY STATUS REPORT. The Contractor shall provide to the District, at the District's request, on or before the 25th of each month, a narrative progress and status report describing work in progress and results achieved during the reporting period, including a description of the Services performed during the invoice period and the Services anticipated to be performed during the ensuing invoice period ("**Monthly Report**").

## 7. COMPENSATION AND INVOICES.

a. Compensation. Compensation for the Services provided under this Agreement shall be in accordance with the compensation schedule attached hereto as **Exhibit A**. The Contractor shall be responsible for all expenses it incurs in performance of this Agreement and shall not be entitled to any reimbursement or compensation except as provided in **Exhibit A** of this Agreement, unless said reimbursement or compensation is approved in writing by the District in advance of incurring such expenses. Any direct reimbursable costs for materials will

be reimbursable at the Contractor's actual cost, provided that the Contractor shall make a reasonable attempt to notify the District of the estimated amount of such reimbursable costs (or any material adjustments thereto subsequently identified) prior to commencing the requested services. Concurrent with the execution of this Agreement, the Contractor shall provide the District with a current completed Internal Revenue Service Form W-9 (Request for Taxpayer Identification Number and Certification) ("**W-9**"). No payments will be made to the Contractor until the completed W-9 is provided. The W-9 shall be attached hereto and incorporated herein as **Exhibit B**.

b. Invoices. Invoices for the Services shall be submitted monthly, by the 10<sup>th</sup> of each month, during the term of this Agreement and shall contain the following information:

- i. An itemized statement of the Services performed.
- ii. Any other reasonable information required by the District to process payment of the invoice, including project and/or cost codes as provided in any applicable written service/work order.

The District shall be charged only for the actual time and direct costs incurred for the performance of the Services. Invoices received by the District after the 10<sup>th</sup> of each month may be processed the following month.

8. TIME FOR PAYMENT. Payment for the Services shall be made by the District within thirty (30) days of receipt of: (i) a timely, satisfactory, and detailed invoice in the form required by Section 7; and (ii) if applicable, a reasonably satisfactory and detailed Monthly Report, for that portion of the Services performed and not previously billed. The District may determine to waive or extend the deadline for filing the Monthly Report, or may make payment for Services to the Contractor notwithstanding a delay in filing the Monthly Report, upon reasonable request of the Contractor, if it is in the interest of the District to do so. In the event a Board meeting is not scheduled in time to review payment of an invoice, the Board hereby authorizes payment for Services, subject to the appropriation and budget requirements under Section 27 hereof, without the need for additional Board approval, so long as any payment required to be made does not exceed the amounts appropriated for such Services as set forth in the District's approved budget. Such payment shall require review and approval of each Monthly Report and invoice by two officers of the District.

9. INDEPENDENT CONTRACTOR. The Contractor is an independent contractor and nothing in this Agreement shall constitute or designate the Contractor or any of its employees or agents as employees or agents of the District. The Contractor shall have full power and authority to select the means, manner, and method of performing its duties under this Agreement, without detailed control or direction from the District, and shall be responsible for supervising its own employees or subcontractors. The District is concerned only with the results to be obtained. The District shall not be obligated to secure, and shall not provide, any insurance coverage or employment benefits of any kind or type to or for the Contractor or its employees, sub-consultants, contractors, agents, or representatives, including coverage or benefits related but not limited to: local, state or federal income, or other tax contributions, insurance contributions (e.g. FICA taxes), workers' compensation, disability, injury, health or life insurance, professional liability insurance,

errors and omissions insurance, vacation or sick-time benefits, retirement account contributions, or any other form of taxes, benefits, or insurance. The Contractor shall be responsible for its safety, and the safety of its employees, sub-contractors, agents, and representatives. All personnel furnished by the Contractor will be deemed employees or sub-contractors of the Contractor and will not for any purpose be considered employees or agents of the District. **The Contractor is not entitled to worker's compensation benefits or unemployment insurance benefits, unless unemployment compensation coverage is provided by the Contractor or some other entity other than the District, and the Contractor is obligated to pay federal and state income taxes on moneys by it earned pursuant to this Agreement.**

10. **EQUAL OPPORTUNITY.** This Agreement is subject to all applicable laws and executive orders relating to equal opportunity and non-discrimination in employment and the Contractor represents and warrants that it will not discriminate in its employment practices in violation of any such applicable law or executive order.

11. **CONTRACTOR'S INSURANCE.**

a. The Contractor shall acquire and maintain, at its sole cost and expense, during the entire term of this Agreement, insurance coverage in the minimum amounts set forth in **Exhibit C**, attached hereto and incorporated herein by this reference. A waiver of subrogation and rights of recovery against the District, its directors, officers, employees, and agents is required for Commercial General Liability and workers' compensation coverage. The Commercial General Liability and Comprehensive Automobile Liability Insurance policies will be endorsed to name the District as an additional insured. All coverage provided pursuant to this Agreement shall be written as primary policies, not contributing with and not supplemental to any coverage that the District may carry, and any insurance maintained by the District shall be considered excess. The District shall have the right to verify or confirm, at any time, all coverage, information, or representations contained in this Agreement.

b. Prior to commencing any work under this Agreement, the Contractor shall provide the District with a certificate or certificates evidencing the policies required by this Agreement, as well as the amounts of coverage for the respective types of coverage, which certificate(s) shall be attached hereto as **Exhibit C-1**. If the Contractor subcontracts any portion(s) of the Services, said subcontractor(s) shall be required to furnish certificates evidencing statutory workers' compensation insurance, comprehensive general liability insurance, and automobile liability insurance in amounts satisfactory to the District and the Contractor; provided, however, that sub-contractors of the Contractor shall not be required by the District to provide coverage in excess of that which is required hereunder of the Contractor. If the coverage required expires during the term of this Agreement, the Contractor or subcontractor shall provide replacement certificate(s) evidencing the continuation of the required policies.

c. The Contractor's failure to purchase the required insurance shall not serve to release it from any obligations contained in this Agreement, nor shall the purchase of the required insurance serve to limit the Contractor's liability under any provision in this Agreement. The Contractor shall be responsible for the payment of any deductibles on issued policies.

12. **CONFIDENTIALITY AND CONFLICTS.**

a. Confidentiality. Any information deemed confidential by the District and given to the Contractor by the District, or developed by the Contractor as a result of the performance of a particular task, shall remain confidential. In addition, the Contractor shall hold in strict confidence, and shall not use in competition, any information which the Contractor becomes aware of under or by virtue of this Agreement which the District deems confidential, or which the District has agreed to hold confidential, or which, if revealed to a third party, would reasonably be construed to be contrary to the interests of the District. Confidential information shall not include, however, any information which is: (i) generally known to the public at the time provided to the Contractor; (ii) provided to the Contractor by a person or entity not bound by confidentiality to the District; or (iii) independently developed by the Contractor without use of the District's confidential information. During the performance of this Agreement, if the Contractor is notified that certain information is to be considered confidential, the Contractor agrees to enter into a confidentiality agreement in a form reasonably acceptable to the District and the Contractor. The Contractor agrees that any of its employees, agents, or subcontractors with access to any information designated thereunder as confidential information of the District shall agree to be bound by the terms of such confidentiality agreement.

b. Personal Identifying Information. During the performance of this Agreement, the District may disclose Personal Identifying Information to the Contractor. **"Personal Identifying Information"** means a social security number; a personal identification number; a password; a pass code; an official state or government-issued driver's license or identification card number; a government passport number; biometric data, as defined in § 24-73-103(1)(a), C.R.S.; an employer, student, or military identification number; or a financial transaction device, as defined in § 18-5-701(3), C.R.S. In compliance with § 24-73-102, C.R.S., the Contractor agrees to implement and maintain reasonable security procedures and practices that are: (i) appropriate to the nature of the Personal Identifying Information disclosed to the Contractor; and (ii) reasonably designed to help protect the Personal Identifying Information from unauthorized access, use, modification, disclosure, or destruction.

c. Conflicts. Prior to the execution of, and during the performance of this Agreement and prior to the execution of future agreements with the District, the Contractor agrees to notify the District of conflicts known to the Contractor that impact the Contractor's provision of Services to the District.

13. OWNERSHIP OF DOCUMENTS. All documents produced by or on behalf of the Contractor prepared pursuant to this Agreement, including, but not limited to, all maps, plans, drawings, specifications, reports, electronic files, and other documents, in whatever form, shall remain the property of the District under all circumstances, upon payment to the Contractor of the invoices representing the work by which such materials were produced. At the District's request the Contractor will provide the District with all documents produced by or on behalf of the Contractor pursuant to this Agreement. The Contractor shall maintain electronic and reproducible copies on file of any such instruments of service involved in the Services for a period of two (2) years after termination of this Agreement, shall make them available for the District's use and shall provide such copies to the District upon request at no cost.

14. LIENS AND ENCUMBRANCES. The Contractor shall not have any right or interest in any District assets, or any claim or lien with respect thereto, arising out of this

Agreement or the performance of the Services contemplated in this Agreement. The Contractor, for itself, hereby waives and releases any and all statutory or common law mechanic's, materialmen's, or other such lien claims, or rights to place a lien upon the District's property or any improvements thereon in connection with any Services performed under or in connection with this Agreement, and the Contractor shall cause all permitted subcontractors, suppliers, materialmen, and others claiming by, through, or under the Contractor to execute similar waivers prior to commencing any work or providing any materials in connection with the Services. The Contractor further agrees to execute a sworn affidavit respecting the payment and lien releases of all subcontractors, suppliers, and materialmen, and release of lien respecting the Services at such time or times and in such form as may be reasonably requested by the District. The Contractor will provide indemnification against all such liens for labor performed and/or materials supplied or used by the Contractor and/or any other person in connection with the Services undertaken by the Contractor, in accordance with Section 15, below.

15. INDEMNIFICATION.

a. The Contractor shall defend, indemnify, and hold harmless the District and each of its directors, officers, contractors, employees, agents, and consultants (collectively, the "**District Indemnitees**"), from and against any and all claims, demands, losses, liabilities, actions, lawsuits, damages, and expenses (the "**Claims**"), including reasonable legal expenses and attorneys' fees actually incurred, by the District Indemnitees arising directly or indirectly, in whole or in part, out of the errors or omissions, negligence, willful misconduct, or any criminal or tortious act or omission of the Contractor or any of its subcontractors, officers, agents, or employees, in connection with this Agreement and/or the Contractor's performance of the Services or work pursuant to this Agreement. Notwithstanding anything else in this Agreement or otherwise to the contrary, the Contractor is not obligated to indemnify the District Indemnitees for the negligence of the District or the negligence of any other District Indemnitee, except the Contractor. Except as otherwise provided by applicable law, this indemnification obligation will not be limited in any way by any limitation on the amount or types of damages, compensation, or benefits payable by or for the Contractor under workers' compensation acts, disability acts, or other employee benefit acts, provided that in no event shall the Contractor be liable for special/consequential or punitive damages.

b. In the event the Contractor fails to assume the defense of any Claims under this Section 15 within fifteen (15) days after notice from the District of the existence of such Claim, the District may assume the defense of the Claim with counsel of its own selection, and the Contractor will pay all reasonable expenses of such counsel. Insurance coverage requirements specified in this Agreement shall in no way lessen or limit the liability of the Contractor under the terms of this indemnification obligation.

c. Insurance coverage requirements specified in this Agreement shall in no way lessen or limit the liability of the Contractor under the terms of this indemnification obligation. The Contractor shall obtain, at its own expense, any additional insurance that it deems necessary with respect to its obligations under this Agreement, including the indemnity obligations set forth in Section 15. This defense and indemnification obligation shall survive the expiration or termination of this Agreement.

16. ASSIGNMENT. The Contractor shall not assign this Agreement or parts thereof, or its respective duties, without the express written consent of the District. Any attempted assignment of this Agreement in whole or in part with respect to which the District has not consented, in writing, shall be null and void and of no effect whatsoever.

17. SUB-CONTRACTORS. The Contractor is solely and fully responsible to the District for the performance of all Services in accordance with the terms set forth in this Agreement, whether performed by the Contractor or a subcontractor engaged by the Contractor, and neither the District's approval of any subcontractor, suppliers, or materialman, nor the failure of performance thereof by such persons or entities, will relieve, release, or affect in any manner the Contractor's duties, liabilities, or obligations under this Agreement. The Contractor shall not subcontract any Services without prior written approval by the District. The Contractor agrees that each and every agreement of the Contractor with any subcontractor to perform Services under this Agreement shall contain an indemnification provision identical to the one contained in this Agreement holding the District harmless for the acts of the subcontractor. Prior to commencing any Services, a subcontractor shall provide evidence of insurance coverage to the District in accordance with the requirements of this Agreement. The Contractor further agrees that all such subcontracts shall provide that they may be terminated immediately without cost or penalty upon termination of this Agreement, other than payment for services rendered prior to the date of any such termination.

18. TERMINATION. In addition to the termination provisions contained in Section 2, above, this Agreement may be terminated for convenience by the Contractor upon delivery of thirty (30) days' prior written notice to the District and by the District by giving the Contractor thirty (30) days' prior written notice. Each Party may terminate this Agreement for cause at any time upon written notice to the other Party setting forth the cause for termination and the notified Party's failure to cure the cause to the reasonable satisfaction of the Party given such notice within the cure period set forth in Section 19. If this Agreement is terminated, the Contractor shall be paid for all the Services satisfactorily performed prior to the designated termination date, including reimbursable expenses due. Said payment shall be made in the normal course of business. Should either Party to this Agreement be declared bankrupt, make a general assignment for the benefit of creditors, or commit a substantial and material breach of this Agreement in the view of the other Party, said other Party shall be excused from rendering or accepting any further performance under this Agreement. In the event of termination of this Agreement, the Contractor shall cooperate with the District to ensure a timely and efficient transition of all work and work product to the District or its designees. All time, fees, and costs associated with such transition shall not be billed by the Contractor to the District.

19. DEFAULT. If either Party fails to perform in accordance with the terms, covenants, and conditions of this Agreement, or is otherwise in default of any of the terms of this Agreement, the non-defaulting party shall deliver written notice to the defaulting party of the default, at the address specified in Section 20 below, and the defaulting party will have ten (10) days from and after receipt of the notice to cure the default. If the default is not of a type which can be cured within such ten (10)-day period and the defaulting party gives written notice to the non-defaulting party within such ten (10)-day period that it is actively and diligently pursuing a cure, the defaulting party will have a reasonable period of time given the nature of the default following the end of the ten (10)-day period to cure the default, provided that the defaulting party

is at all times within the additional time period actively and diligently pursuing the cure. If any default under this Agreement is not cured as described above, the non-defaulting party will, in addition to any other legal or equitable remedy, have the right to terminate this Agreement and enforce the defaulting party's obligations pursuant to this Agreement by an action for injunction or specific performance.

20. **NOTICES.** Any notice or communication required under this Agreement must be in writing, and may be given personally, sent via nationally recognized overnight carrier service, or by registered or certified mail, return receipt requested. If given by registered or certified mail, the same will be deemed to have been given and received on the first to occur of: (i) actual receipt by any of the addressees designated below as the party to whom notices are to be sent; or (ii) three days after a registered or certified letter containing such notice, properly addressed, with postage prepaid, is deposited in the United States mail. If personally delivered or sent via nationally recognized overnight carrier service, a notice will be deemed to have been given and received on the first to occur of: (i) one business day after being deposited with a nationally recognized overnight air courier service; or (ii) delivery to the party to whom it is addressed. Any party hereto may at any time, by giving written notice to the other party hereto as provided in this Section 20 of this Agreement, designate additional persons to whom notices or communications will be given, and designate any other address in substitution of the address to which such notice or communication will be given. Such notices or communications will be given to the parties at their addresses set forth below:

21. **AUDITS.** The District shall have the right to audit, with reasonable notice, any of the Contractor's books and records solely as are necessary to substantiate any invoices and payments under this Agreement (including, but not limited to, receipts, time sheets, payroll, and personnel records) and the Contractor agrees to maintain adequate books and records for such

24. NO WAIVER. No waiver of any of the provisions of this Agreement shall be deemed to constitute a waiver of any other of the provisions of this Agreement, nor shall such waiver constitute a continuing waiver unless otherwise expressly provided in this Agreement, nor shall the waiver of any default be deemed a waiver of any subsequent default.

25. GOVERNING LAW.

At the District's request, the Contractor will consent to being joined in litigation between the District and third parties, but such consent shall not be construed as an admission of fault or liability. The Contractor shall not be responsible for delays in the performance of the Services caused by factors beyond its reasonable control including delays caused by Act of God, accidents, failure of any governmental or other regulatory authority to act in a timely manner, or failure of the District to furnish timely information or to approve or disapprove of Contractor's Services in a timely manner.

No provision of this Agreement shall be construed or interpreted as a delegation of governmental powers by the District, or as creating a multiple-fiscal year direct or indirect debt or other financial obligation whatsoever of the District or statutory debt limitation, including, without limitation, Article X, Section 20 or Article XI, Section 6 of the Constitution of the State of Colorado. 30. SEVERABILITY. If any portion of this Agreement is declared by any court of competent jurisdiction to be invalid, void, or unenforceable, such decision shall not affect the validity of any other portion of this Agreement which shall remain in full force and effect, the intention being that such portions are severable. In addition, in lieu of such void or unenforceable provision, there shall automatically be added as part of this Agreement a provision similar in terms to such illegal, invalid, or unenforceable provision so that the resulting reformed provision is legal, valid, and enforceable.

31. NO THIRD-PARTY BENEFICIARIES. It is expressly understood and agreed that enforcement of the terms and conditions of this Agreement, and all rights of action relating to such enforcement, shall be strictly reserved to the Parties and nothing contained in this Agreement shall give or allow any such claim or right of action by any other third party on such Agreement. The Contractor further warrants that the Work will conform to all requirements of this Agreement and all other applicable laws, ordinances, codes, rules, and regulations of any governmental authorities having jurisdiction over the Work. All Services are subject to the satisfaction and acceptance of the District, but payments for the completed Work will not constitute final acceptance nor discharge the obligation of the Contractor to correct defects at a later date. Such warranties set forth in this Agreement are in addition to, and not in lieu of, any other warranties prescribed by Colorado law.

34. TAX EXEMPT STATUS. The District is exempt from Colorado state sales and use taxes. We will prepare your federal and state (if applicable) payroll forms and tax returns in accordance with the applicable payroll tax laws.

We will not audit or otherwise verify the accuracy or completeness of the information we receive from you for the preparation of the payroll and related returns, and our engagement cannot be relied upon to uncover errors or irregularities in the underlying information. However, we will inform the board of directors of the district of any material errors and of any evidence or information that comes to our attention during the performance of our payroll preparation services that fraud may have occurred. In addition, we will inform you of any evidence or information that comes to our attention during the performance of our payroll preparation services regarding illegal acts that may have occurred, unless they are clearly inconsequential. We have no responsibility to identify deficiencies in your internal control as part of this engagement but will promptly report them to the board of directors of the district if identified. You agree that we shall not be responsible for any misstatements in your payroll that we may not identify as a result of misrepresentations made to us by you.

Our payroll preparation services will include electronically transmitting information to taxing authorities and your financial institution to facilitate the electronic transfer of funds. Authorizations for us to provide these services will be made in separate communications.

Our payroll preparation services will include transmitting federal Form W-2, federal Form 1099, and payroll data forms to federal and state taxing authorities on your behalf. Authorizations for us to provide these services will be made in separate communications.

### **Your responsibilities**

It is your responsibility to provide us with all of the information needed to prepare complete and accurate payrolls and returns. We will have no obligations with regard to a particular payroll or withholding taxes and filing returns in a particular state or local tax jurisdiction until you have provided such information to us. All necessary information should be provided to us within two days of the close of each payroll period or no later than two days prior to your payroll check date. A list of information we will require and the dates required will be provided in a separate communication.

For all nonattest services we may provide to you, including these payroll services, management agrees to assume all management responsibilities; oversee the services; by designating an individual, preferably within senior management, who possesses suitable skill, knowledge, and/or experience to understand and oversee the services; evaluate the adequacy and results of the services performed; and accept responsibility for the results of the services.

Specifically, your responsibilities include:

- Accuracy of information used in the preparation of the payrolls.
- Careful review of paychecks or pay-stubs, and payroll journals for each periodic payroll.
- Accuracy of information used in the preparation and filing of all government forms.
- Review and pre-approval of each electronic funds transfer initiated on your behalf for employee net pay amounts, payroll tax and withholding liabilities, and related benefit amounts.

You are responsible to carefully review the paper returns that we prepare on your behalf before signing and submitting them to tax authorities. You are responsible to review the paper copies of payroll forms and tax returns that were filed electronically on your behalf. We will advise you with regard to tax positions taken in the preparation of the payroll forms and tax returns, but the responsibility for the payroll forms and tax returns remains with you.

You are also responsible for the payment of payroll tax and withholding liabilities. Therefore, the Internal Revenue Service recommends that you enroll in the U.S. Department of the Treasury Electronic Federal Tax Payment System (EFTPS) to monitor your account and ensure that timely tax payments are being made for you. You may enroll in the EFTPS online at [www.eftps.gov](http://www.eftps.gov), or call 800-555-4477 for an enrollment form. Individual states have similar programs that allow you to monitor your account. A list of links by state is provided online at <http://www.americanpayroll.org/weblink/statelocal-wider/>.

### **Your responsibilities relevant to CLA's access to your cash**

- Approve all payroll runs prior to cash being committed.

### **Fees**

Our professional fees will be billed based on the degree of responsibility and contribution of the professionals working on the engagement. We will also bill for expenses (including internal and administrative charges) plus a technology and client support fee of five percent (5%) of all professional fees billed. Other than annual adjustments reflecting inflation, our professional fees will not fluctuate unless there is a significant change in the number of employees, taxing jurisdictions, or in the services you wish for us to provide. If such changes should occur, we will discuss any fee adjustments with you prior to making any changes to your billing. Lastly, any additional forms that you would like us to complete will be charged at an hourly fee.

Our fee for such services will be billed to you separately, along with any direct costs.

#### **Record retention**

You are responsible for retaining all documents, records, payroll journals, canceled checks, receipts, or other evidence in support of information and amounts reported in your payroll records and on your quarterly and calendar year-end payroll forms and tax returns. These items may be necessary in the event the taxing authority examines or challenges your returns. These records should be kept for at least seven years. Your copy of the payroll forms and tax returns should be retained indefinitely.

In preparing the payrolls, payroll forms, and tax returns, we rely on your representation that you understand and have complied with these documentation requirements. You are responsible for the proper recording of transactions in the books of accounts, for the safeguarding of assets, and for the substantial accuracy of your financial records.

All of the records that you provide to us to prepare your payrolls and related forms and tax returns will be returned to you after our use. Our working papers, including any copies of your records that we chose to make, are our property and will be retained by us in accordance with our established records retention policy. This policy states, in general, that we will retain our working papers for a period of seven years. After this period expires, our working papers and files will be destroyed. Furthermore, physical deterioration or catastrophic events may shorten the time our records are available. The working papers and files of our firm are not a substitute for the records of you.

This SOW also covers tax consulting services that may arise for which you seeks our consultation and advice, both written and oral, that are not the subject of a separate SOW. These additional services are not included in our fees for the preparation of the payroll and related federal and state forms and tax returns.

We will base our tax analysis and conclusions on the facts you provide to us, and will not independently verify those facts. We will review the applicable tax law, tax regulations, and other tax authorities, all of which are subject to change. At your request, we will provide a memorandum of our conclusions. Written advice provided by us is for your information and use only and is not to be provided to any third party without our express written consent.

Unless we are separately engaged to do so, we will not continuously monitor and update our advice for subsequent changes or modifications to the tax law and regulations, or to the related judicial and administrative interpretations.

Any such affiliated company shall be subject to the same restrictions on the use and disclosure of your information as apply to us.

The Internal Revenue Code contains a limited privilege for confidentiality of tax advice between you and our firm. In addition, the laws of some states likewise recognize a confidentiality privilege for some accountant-client communications. You understand that CLA makes no representation, warranty or promise, and offers no opinion with respect to the applicability of any confidentiality privilege to any information supplied or communications you have with us, and, to the extent that we follow instructions from you to withhold such information or communications in the face of a request from a third party (including a subpoena, summons or discovery demand in litigation), you agree to hold CLA harmless should the privilege be determined not to apply to particular information or communications.

Your consent is valid until further notice. If you do not wish to authorize such use, please strike out this paragraph prior to signing the SOW.

**Legal compliance**

You agree to assume sole responsibility for full compliance with all applicable federal and state laws, rules or regulations, and reporting obligations that apply to you or your business, including the accuracy and lawfulness of any reports you submit to any government regulator, authority, or agency. You also agree to be solely responsible for providing legally sufficient substantiation, evidence, or support for any reports or information supplied by you to any governmental or regulatory body, or for any insurance reimbursement in the event that you is requested to do so by any lawful authority. Except as outlined in this SOW, CLA, its successors, affiliates, officers, and employees do not assume or undertake any duty to perform or to be responsible in any way for any such duties, requirements, or obligations.
